Additional Backup Information

The City of Victoria sustained significant damage to their infrastructure as a result of Hurricane Harvey. The City Manager of the City of Victoria sent a formal request for aid from the City in the form of personnel, supplies, and equipment in the aftermath of Hurricane Harvey. The Parties propose an aid agreement that best suits the needs of both parties.

The request was forwarded to the Austin Transportation Department for assistance with their traffic management operations and infrastructure that were severely impacted. The request included the following but additional resources may be requested as this is an ongoing situation:
